## STRAP BAND

Cohesive elastic bandages.

- Self-adhesive, without sticking to the skin or the fur.
- Strong and pleasant to apply.
- Easy to cut, no scissors needed.

Strap band bitter taste :

- To prevent chewing and tearing.
- Contains denatonium benzoate, a bitter taste repellent agent. This substance is also used as a repellent to prevent household products and antifreeze agents ingestion and as a nail polish to prevent onychophagy. Denatonium benzoate is considered harmless to the skin\*.
