

LOVIT

Lovit LC-Energy Liquid

A specific liquid formulation of L-carnitine, betaine and magnesium designed for the additional, short-term supplementation via the drinking water. The ingredients L-carnitine and magnesium sulphate are known to be beneficial in improving the utilisation of dietary energy and protein and could manage metabolic disturbances in critical periods of poultry production.

Legal status:

Complementary feed (in accordance with reg. 767/2009/EC), delivery to the final consumer

Composition:

Magnesium sulphate heptahydrate, sorbitol, sodium chloride

Additives per litre:

L-Carnitine (3a910)	25 000 mg
Betaine anhydrous (3a920)	50 000 mg

Density:

1.18 g/cm³

Solubility:

Completely soluble in water

Animal categories:

For poultry

Recommended dosage:

Poultry 1 - 2 litres per 1,000 litres of drinking water

For a period of 2 - 5 days, repetition as required

Recommended use:

Shake well before application, do not use in pure form. To ensure complete dissolution dissolve 100 ml in min. 10 litres of water and fill up to the required quantity of drinking water.

Storage:

Keep tightly sealed and protected from direct sunlight in a cool (max. 25°C) and dry place

Shelf life:

Guaranteed contents for 24 months if kept under proper storage conditions in original packaging

Packaging:

Bottle of 1 litre in carton 12 x 1 litres
Canister of 5 litres in carton 4 x 5 litres

Code number:

30620 (1 litres)
28119 (5 litres)
